VOLUME 29

WEDNESDAY, October 28, 1942

NUMBER 13

## Military Ball Is Expected To Be Best In Years

The annual Military Ball of the Society of American Military Engineers, the second largest social event of the school year, will be held Saturday, October 31, 1942. This year, as in the past, the ball will be in the gaily decorated Jackling Gym, starting at 10:00 p. m.

Music at the Ball will be by Russ David and his well-known orchestra. This band is currently being featured over the N. B. C. Network several times weekly from Station KSD in St. Louis and is the studio orchestra of that Station.

Preceding the Formal Ball, members of the S. A. M. E., their dates and guests will hold a banquet at the Pennant Tavern. Guest speakers of the evening will be Lieut. Colonel John F. Zajicek of the United States Engineer Replacement Training Center of Fort Leonard Wood. He will be accompanied by Lt. Col. Roy Copeland, also of Fort Leonard Wood. Invited guests include the Governor and Mrs. Forrest Donnell, Col. and Mrs. Herman, Major and Mrs. Moreland, Capt. and Mrs. Doll, Dr. and Mrs. Wilson and Mr. and Mrs. Hubbard.

Commissioning of the Honorary Cadet Colonel, Miss Ann Jewel Brown, will highlight the evening's ceremonies. Over three hundred couples are expected, and as in the past the dates of the cadets will be honorary officers of the same rank. The crowning ceremony is scheduled for 11:15, by the Cadet Colonel, Don Coolidge. Following this, a ceremonial drill squad of Detonators, commanded by Cadet Sgt. James Bottom, will present a series of exhibition drill maneuvers. The Cadet Officers will then draw sabers and the Honorary Cadet Colonel will be escorted through the arch of sabers to resume dancing.

Corsages for the dance must be of war stamps. Announcements will be posted in Parker Hall for securing them. Please place your orders early to avoid last minute confusion. Any other corsage of war stamps will be acceptable, from ten stamps to a bond.

The dance will be closed to outsiders other than the students and faculty of M. S. M., the Naval Aviation Cadets and Signal Corp men.

Committees appointed for the Military Ball and Banquet are: Guest Com., Gene Martin, chairman; Invitation Com., John

## Jan Valtin On General Lectures

Jan Valtin, now famous author of the history-making book, "Out of the Night", will lecture here Monday night, November 2, at 8:00 p. m., in the auditorium of Parker Hall. Mr. Valtin is one of the best informed men on affairs inside Axis countries, and he has a price on his head by both the Gestapo and the GPU. His lecture promises to be fascinating as well as educational.

Admission, as usual, will be by activity card for students, for townspeople, \$0.50, and for faculty members and student dates \$0.25.

## Parents - Engineers Day A Big Success

Two hundred eighty four visitors attended Parents-Engineers Day which was celebrated last Saturday.

During the morning, parents and friends of the student body inspected the laboratories in the various departments and witnessed special demonstrations of scientific equipment.

Dr. Oscar C. Johnson, pastor of the Third Baptist church of St. Louis spoke at the Parents-Engineers banquet in the evening. The title of his address was "Wir haben ein Lift." The theme of the talk was that the School of Mines was a means by which the students are raised to a higher position in life.

Dean Curtis L. Wilson was toastmaster at the banquet. Kent Comann, president of the student council, welcomed the parents and expressed the students' appreciation in their coming to Rolla for the occasion.

## General Electric Interviews Here

Mr. A. K. Bushman, District Industrial Manager of Chicago Mr. J. D. Vallier, Sales Engineer of St. Louis, and Mr. M. M. Borling of Shenectady, New York, all of General Electric Company were here on Tuesday to interview seniors for positions in that company.

These men interviewed a total of fifty seniors; thirty-one of the men were mechanicals; sixteen were electricals; and the remaining three were metallurgists.

### MILITARY INVITATIONS.

Invitations for the Military Ball may be obtained by any student of MSM, or government student attending this school, any evening from 4 to 5 in Room 10 Parker Hall, and all afternoon Friday. A contribution of \$1.75 will be accepted.

## Gym Club Expands To Aid Students

The Gym Club is rushing through plans to take care of the new members who are joining as a result of the Military Dept. regulation. The Military Department realizing the physical superiority of Jap and Nazi students over American students, is endeavoring to build up the stamina of our young men. This is a bitter pill to take, but our soft and easy way of life has left much to be desired. As a part of this program the weekend hikes and the new obstacle course were promoted. This latest ruling encourages Miners to engage in 6 hours of exercise each week.

The Gym Club is naturally the place to do this work. Additional equipment has been ordered, and arrangements made to procure more. The program sponsored by the club provides five hours of supervised exercises a week. Since only elementary training has been engaged in up until this time, new members need not have had previous gym experience in order to fit in the training. Regular gym work, featuring tumbling, parallel bar, weights, horses, swimming and Jui-jitsu constitute the Monday and Thursday meetings which are held from 7 until 9. An hour devoted entirely to the obstacle course is planned for every Tuesday afternoon, from 5 till 6. There are no dues or obligations in connection with this club. Anyone who wishes to take advantage of this program should be present at the next meeting.

## Blue Key to Sponsor Dance at Parish House

The local chapter of the Blue Key National Honorary Fraternity will give a Tea Dance at the Parish House Saturday, October 31, the afternoon of the Military Ball, from 4 till 6. This dance will be free to all Miners with dates. The expense of this dance will be entirely defrayed by Blue Key. The Fraternity has gone to considerable trouble and expense to have this dance for the benefit of the Miners and their dates and it is their hope that the students will make it a success.

## Dr. R. Nelson Smith To Speak Before AICHe

Dr. R. Nelson Smith will be the guest speaker at the regular meeting of the A. I. Ch. E. this evening at 7:00 p. m., in the old chemistry building. The topic of his lecture is Photochemistry. Everyone who is interested is invited to attend.

The time of the meeting, as stated on the post cards sent to chemical engineering students, should have read 7:00 p. m. instead of 7:30 p. m.

## Ten Formally Initiated By Tau Beta Pi

The members of the Beta Chapter of the Missouri Tau Beta Pi held their semi-annual banquet Sunday evening at the Pennant Tavern in honor of the new initiates. The initiation of the new members took place at 5:30 Sunday afternoon. The following initiates were honored at the banquet: James D. Dowd, Edwin C. Goeteman, Warren W. Helberg, William A. Hubbard, Robert H. Kendall, James R. Miller, Robert J. Nease, Vernon J. Wingle, Clarence J. Wright, all Juniors; and Ahmet Pakkan, a Senior.

The toastmaster of the occasion, Don C. Coolidge, president of the Tau Beta Pi, introduced the guest speaker, Mr. Leo W. Highly, well-known Rolla insurance man. Chief guest was Dean Curtis L. Wilson of the School of Mines. The faculty members in attendance who are graduate members of the Tau Beta Pi included the following: Melbert R. Hanley, Garrett A. Muilenburg, Rolfe M. Rankin, and William J. Smothers.

## Hafeli Attends Commando School

Coach Hafeli has recently returned from Brookings, South Dakota, where he took part in a four day "commando school" which was under the supervision of Col. Briggs, ROTC Commander of the 7th Corp. Area.

About 55 officers and physical education men from educational institutions throughout the 7th Corp. Area attended the school. All of these men went through the strenuous four day work out during which they received instructions in commando tactics, judo, hand-to-hand fighting, the fundamentals of bayonet drill, obstacle course technique, chemical warfare, swimming-breaking oil slicks and avoiding sharks was stressed, organized games, instrumental program, mass calisthenics, wrestling and boxing.

MSM was one of the few schools that was represented which has already started on this program to some extent. Very few of the schools have obstacle courses or other instructions in the exercises.

Coach Hafeli says, "In my opinion the school was most successful and in all probability is a forerunner of what our Physical Education Departments will stress in the near future." Soon there will be more stress directed on having everybody from the "triple-threat man" to the "grade-point hound" take part in the athletic events.

## Enlistment Board To Meet With All Students

The Missouri School of Mines will be visited Wednesday and Thursday, November 4 and 5, by a board of five commissioned officers who will present detailed information concerning participation of the college in the pre-induction plan for enlistment of college men in the Enlisted Reserve Corps of the army, navy, marines and coast guard.

This is in accordance with a plan whereby every accredited college and university in the United States, except strictly theological schools, shall be visited by such boards before this semester is far advanced. Five of these boards now are on tour of the approximately 220 schools in the Seventh Service Command.

Purpose of the tours is to acquaint the students thoroughly with the functions and programs of the various types of our armed forces, qualifications for enlistment, training and prospective duties in service. Presentation by a joint board is done simultaneously, thus saving time to the students, and also done in a manner non-competitive between the services and their several branches.

The board comprises one representative each of the army, the army air corps, the navy, the naval aviation service and the marine corps. One of the naval officers will also represent the coast guard.

Although each military service has its own distinctive qualifications for enlistment, all candidates must be American citizens; regularly enrolled, full-time, resident students in the school where the application is made. They may be either single or married. Eighteen years is the minimum age in most of the service branches but some exceptions are made. Maximum age limits range from 26 years to 44 years, inclusive. Applications will not be accepted from any student who has received notice of his pending induction. Every candidate must be qualified educationally, physically, morally and psychologically for appointment to an officer candidate school. Every enlistment must be for the duration plus six months.

Selection for enlistment in any of the service plans will be determined chiefly by scholastic records and potential qualities of leadership. In institutions having ROTC units, the system of military training now in effect will be continued. In those not having ROTC, military training will not be required during school enrollment. In schools where ROTC is established, enlistment in the ERC

## Senior Met Leaves Heart In Cleveland

The following is an excerpt from a letter written by one of the Senior Mets to a girl he left behind in Cleveland "Here I am in Rolla, but my thoughts are many miles away, back in Cleveland; back where a certain Senior class of a certain school were fortunate enough to spend a rather novel week; back where beautiful girls are the rule rather than the exception, and finally, but most importantly; back where even a most quiet and reserved "guy" can be haunted by memories of three blissful days, chucked full of "Cabin Clubs," football dates, Wedding receptions, quiet breakfasts for two, stolen kisses at Garfield Heights, walks in fresh clear sunshine, and reluctant goodbyes in the "Terminal." Ah such is love, as a certain lovesick Met sees it. Just ask Theo J. if you don't believe us.

## John King Sets New Record In Cross Country

The Annual Intramural Cross Country Race was held between the halves of of the Miner—Warrensburg Football game this year. The course is about one mile long. It is laid out about the campus in such a way that it starts and ends at the north side of the football field. This year there were forty seven entries.

John King of PiKA breezed through the course to win in the record time of 4:58.6. This broke last years record of five minutes made by Ed Blair. The Frosh team of Miller and Leone scored the most points by winning second and third team places. The first eight men to finish with their organization and points were:

1. King, Pi K. A. — 200.
2. Miller, Frosh — 175.
3. Leone, Frosh — 160.
4. Jones, B. Sigma Nu — 140
5. Leaver, Sigma Nu — 90.
6. Thiele, Sigma Pi — 80
7. Duffner, Theta Kap — 70.
8. Castler, Sigma Pi — 60

## As a MINER Sees it

Parents-Day found almost every Miner on his good behavior. Results were heartening to the faculty but provided an uneventful week-end for your mud-slinger. I suggest Parents-Day be hereafter abolished, in the interest of this column.

Joe Berndt, president of the Shamrock Beanery says the war situation is getting serious, that food is getting tougher to get all the time. Not to mention eating it, huh Jo? Along the same line, we admire the new fence. It is a nice job and represents plenty of (fresh) man-hours. I imagine steaks will be even rarer now since stray dogs will have difficulty getting over the fence.

The grapevine has it that a parachute entrance is being contemplated for the Independent's Dance. Some minor mechanical difficulties are being encountered, the chief of which will be overcome when Kurusz finds a rope which will stand compression. Any Luck, Hank?

The Varsity's new piano player didn't get much dancing done the night of the Kap Sig shindig he just kept staring spellbound at Eric Casey. Watch out Jerk!

We hear that one Miner has been visiting the Pennant regularly in the hope of getting his name in this column. Well, here it is: JERRY KRATZ.

Jim Johnson, celebrated cross-country runner, found himself a couple of cheer-minded girls, and all three began an impromptu cheer leading session, at the football game. Mighty fancy stuff too until Jim carked Adamick with a megaphone. Editor Martin then came forth with these immortal words; "Don't let him die, he hasn't paid his third of the rent."

Come now Griffiths, you didn't really expect to see anyone rise at the Junior Elections when you asked all-honest and unbiased independents to rise. Any frat-rat will tell you that animal is extinct.

Cupid reigns these days over Rolla. What with Gene Rauch courting that gal from the Uptown, the Tin Soldier Don West sparking Amy Gale Goodhue, etc. This pervading influence led Prof. Young to state; "Since our good friend Sievert is getting hitched this week-end, we will postpone the test another week. Take it from me, whenever a married man gets a break, he deserves it."

Reformer—"Young man, do realize that you will never get anywhere by drink."

Stewed—"Ain't it the truth? I've started home from this corner 5 times already."

"Polly's old man sure can brew. Makes some kind of a new drink that's great."

"Nectar, I suppose,"  
"I'll say I did."

First stew. I shay — hic — all ish girls have got awful broad belts on.

Second Stew—Belts! (hic) Them's dresses.

"I went home cold sober last night."

"What was the idea? Trying to scare your family?"

## LETTERS TO EDITOR ...

From all indication, Parents and Engineers Day seems to have been a great success. It was unfortunate, however, that one department on the campus had to show its true colors. This department is none other than the Military Department.

For nearly a week there had been notices to the effect that all departments were to cooperate in making Parent's and Engineer's Day the greatest success. All departments planned demonstrations involving seniors only to find that the Military Department would refuse to excuse these senior students from a three-hour session on Saturday morning. This indicates only one thing—that the Military Department is selfish, narrow-minded, and self-centered. Some of us have been fortunate in that we have never been forced to sit in their "one-man sessions." But more than likely they preach the importance of cooperation. The army is founded on this principle. Yet it has been many years since any department has refused to cooperate to the extent that the Military Department did refuse. They even went so far as to threaten the students with various penalties ranging from a \$1.50 fine to keeping them from graduating if they did not attend the sessions.

In previous years the Military Department has found it possible to work the graduating departments, but under the "new order" there are a couple of fellows who feel that it is their duty to run this institution. At the writing of this letter, the Military Department has not been authorized to take over control and until that day does come it is suggested the department be put in its place and be made to act in a manner that would be of merit to the school.

It wasn't so many weeks ago that the Military Department announced that all of their senior students were to go to Fort Leonard Wood and then in about a week they again announced that these same students were going to Vichy. All departments on the campus were recent enough to excuse these students but when the tables are turned could the Military Department be as fair? Well, the answer was obviously "not!"

The Military Students graduating in January are in for a tough time under the best of conditions but if the department officers teach the same idea of cooperation that they have shown, God help these students.

We realize that a war exists and want to do all that we can to help, but most of the fellows came to this school thinking that it was an engineering school only to find that they were being governed by the "new order." These ideas are shared by most of the Miners so let's see some changes in the attitude of the Military Department.

In the interest of efficiency and aid in the war effort, it has been suggested that seniors be allowed to graduate in December. This would save the fellows a rather large amount of money, would be in keeping with last years precedent, and release us to industry a month earlier. The suggestion was met with the usual lack of cooperation and consideration by said department. I, for one, would appreciate a public statement of the departments attitude and reason thereof.  
A Miner.

## Independents Give Last Instructions On Masquerade

Some Miners are still not quite sure as to what to wear at the Independent's Military Masquerade next Friday night. One thing certain, though, costumes are in order and anyone coming without one is going to be awfully embarrassed if they have to be outfitted at the gate. The publicity department for the Independent's can only offer a few suggestions in the way of costumes. Thus they leave it to the individuals to show their ingenuity. Unannounced prizes will be awarded for the most novel get-up. Here follows a list of suggested attires:

1. Sailor cap and sea legs.
2. Marine dressed for beach landing.
3. Commando make-up for a night raid.
4. Airplane - Spotter with tired eyes and model airplanes.
5. Guerrilla fighter camouflaged as scorched earth.
6. Fatigue uniform complete with potato-peeler.
7. Barrage - balloon disguise for mammoth Mines.
8. Silver wings and a tail for the undecided.
9. Submarine commander with water-wings, seaweed, and mermaid.
10. Placards with your draft classification written in Japanese

There is need to remind you that the Military Department will not tolerate any article of the R. O. T. C. uniform being worn.

The dance starts at Nine. Russ David and his Musical Commando Unit will play from Taps till Reveille. The dance is free to Independents. Fratmen with dates are cordially invited.

Other surprises, we don't wish to divulge, will be sprung; so get in the spirit, get in your costume get goin' Miners. We'll see you all at the Military Masquerade.

### NOTICE

A very important meeting of the advertising staff of the Miner will be held at 7 p. m. in Room 8 Parker Hall. All tryouts and members are requested to be present. All those absent will be dropped from the board.

# Revengeful Miners Roll Over Mules Before Parents, 32-7

## Penalties Against Miners Aid Mules

The "Fighting Miners" obtained their first victory of the season Saturday afternoon by trouncing the Warrensburg Mules 32 to 7 before a crowd of 3000. The "Silver and Gold," displaying an unusual amount of power, proved themselves too much competition for the Mules by scoring two touchdowns in the first quarter, two in the second, and one in the fourth. It was without a doubt the best game the Miners have played this season.

The first quarter got under way with the Mules kicking-off to the Miners. Al Dick, receiving the ball on his own 20, advanced to the 40 yard line. From this moment on, it was the Miners all the way. Successive gains of 10 and 15 yards by Glover, Dick, and Carafiol, placed the Miners in a scoring position. With only four minutes of the ball game having been played, Glover swept around left end to score the first touchdown. His attempt for the extra point was good. The Miners then kicked to the Mules, who, after attempting two line plunges, decided to pass. Radcliffe, playing heads-up football, came up from the safety position and made a beautiful interception. Again Dick and Glover pierced the War-

rensburg line, advancing the ball to their four yard line. Here the Miners received a 15-yard penalty for clipping, and lost the ball on downs. However, Warrensburg's attempt to punt out of danger was good for only 20 yards. Jim Miller and Al Dick advanced the ball to the 6 yard line and then, with a hole big enough to drive a truck through, big "Moose" Carafiol went through the left side of the line to score standing up. Glover missed the conversion for the extra point.

At the beginning of the second quarter, Bullman, eager to discover his best combination, sent Boetjer, Catanzaro, Hoby, Hazelett, Englehardt, and Counts into the game. The Mules, having received a second kick-off, were unable to pick yardage. However, at this time the Miners also found the same difficulty, and were forced to exchange the punt. The Mules, having considerable trouble with the Miner forward wall, again attempted a forward pass. This time, Boetjer intercepted and advanced the ball to the Mule ten yard line. From here, Carafiol went over for another score. On the attempt for extra point the Miners received a holding penalty and were forced to attempt a run from the 20-yard line. Catanzaro's try was no good. Warrensburg, after receiving another kick-off, again attempted to pass and again the pass was intercepted. This time it was Jimmy Miller, who after 25 yards, was forced out of bounds on the 12-yard line. On the next play, Miller swept around end to score. Englehardt's extra point was good, making the score at the end of the first half, Miners 26, Mules 0.

Coach Bullman, evidently feeling sorry for the Warrensburg eleven, started his second string the second half. Every man who dressed for the game Saturday received an opportunity to display his ability. The Miners kicked-off to the Mules who again took to air and finally made a completion which was good for 21 yards. However, they were forced to kick after 4 downs, and it was the Miners turn to show off. A beautiful lateral play from Catanzaro to Fris picked up 20 yards. Then Fris threw a sensational 50-yard pass to Freshman Dameron who was finally brought down on the 5-yard line. Here, the Miners received an off-sides and holding penalty and lost the ball on downs.

The fourth quarter was sparked with an unusual number of penalties all of which were suffered by the Miners. The Silver and Gold would no sooner gain 5 yards and then lose 15 for clipping or holding. Due to the fact that the entire team, with the exception of Fris and Mitchell, was composed of freshmen, one would think that the referees would be somewhat lenient with the youngsters. In the fourth quarter alone the Miners were penalized 60 yards, which practically set up the only Warrensburg touchdown. The Mules lone score was the result of a 21-yard pass. The Freshmen, considering their inexperience, put up a good fight.

## Around The MIAA Intramural Sports

The campuses around the MIAA are resounding to be the spectacular changes in their outlook on events in the Conference after last Saturday's games. In the topsy-turvy scramble for the lead in the Conference race, the spectators found new reason to stop—look—and listen as the underdog and the favorite vied for the glory of victory.

The MIAA was highlighted by the stirring upset victory of Springfield over Maryville, 14-13. This game not only adds to the crowd of teams scrambling for the Conference lead, but enlivens the possibilities of a new threat on the title horizon, namely Springfield.

STC's victory came on the crest of a four game losing streak, the longest of Coach Blairs long and varied career while coach of Springfield. Given no more of an underdog chance against Maryville, STC succeeded in showing they mean business even though they got off to a bad start this season.

Springfield capitalized on two breaks to score in winning from Maryville. Their first break came when a host of STC tacklers swarmed a Maryville passer, knocking the ball from his hands into the waiting arms of Billy Long, freshman end, who encountering no opposition ambled 42 yards for a touchdown. The final score came when Dean George, veteran fullback, drove deep into Maryville territory on a series of plays which was climaxed by his throwing a pass to Hank Williams for the score. Maryville scored on a fumble and line plays. The Bearcat's machine bogged down continually in both offensive and defensive action, and was certainly not of the same caliber they showed during the earlier part of this season. Mont Adamson of STC was the outstanding man on defense in the game.

Assuming a lesser place in the MIAA spotlight was the game of the Miners vs. Warrensburg. The recovered Miner team found the Warrensburg Mule pretty easy to drive, and proceeded to take an easy 32-7 victory. The Miners held the upper hand throughout, scoring almost at will. Coach Bullman took this as an advantage to rest his regulars and work his second and third stringers as a preview of what he has to build his team on next year. Coach Steuber of Cape was in the Rolla stands scouting the game, so the Miners slowed down their attack in an effort to keep their best plays for the coming Cape game.

Cape Girardeau met the Missouri B. team last Saturday and came out on the long end of the score 14-2. This victory has caused a great deal of controversy as to what the outcome of the

With only five minutes left to play, Roley, Freshman quarterback, received a punt on his own 25-yard line and rambled 75 yards for the Miner's fifth and final touchdown. The Miners failed to convert.

With the exception of numerous off side, holding, and clipping penalties, the Miners played exceptional ball last Saturday. The Miners still have a chance to retain the MIAA crown, and if they are able to play this type of football for the rest of the season, they should be the MIAA champions of 1942.

## Kappa Sigma waiked off with the touch football title on Monday evening by winning a close decision over PiKA.

Neither team appeared to be in their best form as Kappa Sig's passing attack was far less effective than usual and PiKA receivers missed several long passes that might have brought their team victory. Each team scored on touchdowns and as ironical fate would have it, PiKA's kicker missed his first try for the point after touchdown in 15 previous attempts while Burke of Kappa Sig converted. The responsibility for victory or defeat was lifted from the shoulders of the two kickers however, as Kappa Sig scored a touchback for the final tally of

the contest. The final score was 9-6.

This year has seen several outstanding players from the various teams. In this writer's opinion one of the finest passers seen in action was Jack Foser of Sigma Nu. PiKA's Erlich-Clark combination was very difficult to and they deserve a great deal of credit for the fine showing made by their teams. Taperson of Kappa Sig also displayed a fine ability to catch passes as did Doerrel of the Seniors.

Kappa Sigma now re-igns as touch football champs, and rightly so, for they displayed a strong well balanced team at all times and always had great team spirit.

It Pays to Advertise ! !

Miners-Cape game will be. The Miners played the B team previously this year and lost 23-19.

### LAMBDA CHI ALPHA

Parents and friends who visited the house during the past week-end were: Mr. and Mrs. R. Andrews, and their daughter, Dorothy, of Maplewood, Mo., Mr. and Mrs. C. E. Steward of St. Louis Mo., Mr. and Mrs. E. E. Jamieson, also of St. Louis, Mo., Mr. and Mrs. W. A. Murphy, and daughter, June, of Dixon, Mo., Mrs. E. J. Allen, Mrs. W. R. Winters, and Mrs. W. E. Casey, all of Rolla, Mrs. L. H. Carr of Kansas City, Mo., Mrs. O. E. McClary, Mrs. R.

A. Wylie, and Mrs. A. Heinck, all of St. Louis, and Mrs. W. Green daughter, Peggy, of Louisiana, Mo.

Mrs. DeVere Joslin, one of our regular chaperones, was our dinner guest on Sunday. Mrs. Joslin took about ten of the fellows to the Presbyterian Church before dinner.

### KAPPA SIGMA

Beta Chi of Kappa Sigma was host last Friday evening to many dates and guests for their annual pledge dance. Honoring the largest pledge class, twenty-six boys contributed to make the dance a roaring success.

Dates present at the Pledge Dance were: Betty Taylor, Betty Anderson, Elizabeth Smith, Jean Stair, Kay German, Jane Bartlett, Peggy Marsden, Virginia Guithues, Loraine Lippies, Sue Wolcott, Peggy Wilson, Helen Buffington, Shirley Hill, Wanda

Remmert, Frieda Brown, Lenore Jones, Agnes Houlihan, Phyllis Giltner, Maxine Houlihan, Helen Black, Marian Johnson, Evelyn Winchell, Virginia Treece, Eunice Mitchell, Katherine Smith, Virginia Austin, Bobsie Joslin, Loraine Mueller, Patsy Mabel, Ruby Black, Ruth Hawkins, Dot Chatterman, and Marore Unger.

The Chaperones were: Mr. and Mrs. Fuller and Mr. and Mrs. McMeekin and Mr. and Mrs. Hanley

Guests were: Mrs. J. E. Bodine, Mrs. E. Stueck, Mr. and Mrs. Burns, Mr. and Mrs. Bodine, Mr. and Mrs. Duke, Mrs. Israel, Mr. and Mrs. Zoller, Mr. and Mrs. Joslin, Mr. and Mrs. Costin, and Mr. and Mrs. Reinohl.

A buffet luncheon was served Saturday at the Chapter House. The parents and their sons then watched the Miners shine on the gridiron. The activities of the weekend were climaxed by one dinner on Sunday evening.

The following parents were guests of Kappa Sigma for Parents' day: Mr. and Mrs. Wayne J. Duke, Mr. and Mrs. E. A. Yochum, Mrs. C. H. Reed, Jr., Mr. and Mrs. L. J. Zoller, Mr. & Mrs. H. R. Terrill, Mr. and Mrs. A. Topperson, Mr. and Mrs. Noel Hubbard, Mr. and Mrs. C. H. Krummel, Mrs. Katherine Israel, Mrs. Dorothy Shank, Mrs. Elizabeth Taylor, Mr. and Mrs. J. B. Wheeler, Dr. and Mrs. J. Lester Wood, Mrs. Otto Heinicke, Mr. and Mrs. C. W. Kock, Mr. and Mrs. H. Bruns, Mr. and Mrs. J. R. Bodine, C. W. Kock, Mr. and Mrs. Otto Heinicke, Mr. and Mrs. J. Fuchs, and Mr. Pete Cozzi.

### THETA KAPPA PHI

The Theta Kappa Phi House was filled with guests who were present for Parents'-Engineers' Day on last Saturday.

The guests were as follows: Mr. and Mrs. E. Goetemann and their son, Donald, Mr. and Mrs. W. P. Jost, Mr. and Mrs. J. Knittel and their daughters, Rita and Rose, Mr. and Mrs. M. Catanzaro and their son, Marion, Mrs. S. P. Salzano, Mrs. S. J. Hazelett, Mrs. H. Barmeier, Mrs. D. J. Leahy and her daughter, Peggy, Mr. and Mrs. R. Roos, Mr. and Mrs. W. T. Barnett, Mrs. S. Herrmann and her son, Tommy, Mrs. R. M. Heuchan, Mr. and Mrs. J. J. McGrath and their daughter, Valley, Mr. and Mrs. Klorer and their daughters, Carmen and Joan, Mr. and Mrs. Wm. Henne, Mr. and Mrs. W. C. Suellentrop, Mr. and Mrs. A. T. Horn, and their daughter, Marie and their son, Don, Miss Anna Sansone, Miss Peggy Veltner, and Miss Elsie Henderson, all of St. Louis, Mrs. P. Dampf of Jefferson City, Missouri and Mr. and Mrs. B. Duffner and their daughter, Mary Elizabeth of DeSoto, Mo. Also present were Lieut. S. E. Hazelett of Balboa, Canal Zone, and his fiancée, Evelyn Andrews of Chicago, Ill.

Brothers Bill Christman, Jim Martine, and Jack Vorbeck of St. Louis; Ed Vandeven of Cape Girardeau; Dan Stockher of East St. Louis, Ill. and Harold Butzler of Jefferson City, Mo., all visited their respective homes over the week-end. Pledges Bob Meiners, Bob Baerveldt, and Jack McCarthy of St. Louis, Don Volkmer and LeRoy Markway of Jefferson City, Mo., and Jim Hoelscher of Washington, Mo., also visited their homes.

### TRIANGLE.

The latest addition to the Mo. Mines chapter has been our new mascot, "Dammit," a cute Dachshund puppy.

As usual, Parent's Day was a

great success here at the house. Those visiting were: Mr. and Mrs. J. Carroll, Mr. and Mrs. E. Gygax, Mr. and Mrs. E. H. Wagner and daughter, Ginnie, Mr. and Mrs. I. E. Cox, Mrs. V. Salve, Mrs. W. Fink, Mr. and Mrs. Kuder, Mr. and Mrs. P. Jamboretz and daughter, Genevieve, Mr. and Mrs. O. K. White, Mr. and Mrs. W. H. Howard, Mrs. T. G. Buckley, Mrs. William Hickey, Mr. and Mrs. J. Mazzoni, Mr. and Mrs. A. H. Vogt, and daughter Elva, Mr. and Mrs. E. W. Hartig, Mr. G. Johannas, Mrs. L. Busch, Mr. and Mrs. C. Perry, Mr. and Mrs. F. Endraske, Mr. and Mrs. J. Lester, Mr. and Mrs. A. Webers and Mr. and Mrs. E. Martini. Several of the men also went home this week end to St. Louis, these included Brothers Peterson and Jenneman and Pledges Emo, Les Fields and Ernie Siracusa.

### MILITARY BALL

(continued from Page 1)

Requarth, chairman; Decoration Com., Fred McKnight, chairman; Publicity Com., Harold Butzer, chairman; Ceremonies Com., Don Coolidge, chairman; Banquet Com., John Griffiths, chairman.

### ENLISTMENT BOARD.

Continued From Page 1

will not alter any ROTC regulations in force there, unless to intensify training.

No regular academic course of study, except possibly for those enlisted in the navy, is prescribed but certain very definite objectives are to be attained. When an enlisted reservist is called to active duty his major in college and the reservist's personal qualifications and inclinations will determine his assignment to further training, which will be highly specialized and concentrated in

to a minimum time period. Yet in all of this the military authorities will make earnest effort to interrupt as little as possible, consistent with the progress of the war, the educational activities and programs of the school.

In establishment of the programs for college students, the army, the navy, the marines and the coast guard expect to have a reservoir from which the respective services may draw as the exigencies of war demand.

The schedule of the Joint Enlistment Board is as follows; Wednesday 11 a. m., a general assembly for all students; Wednesday afternoon and Thursday morning, individual interviews with all interested students.

In order that all students will be able to meet this board at the above stated times certain changes in schedule have been announced by the office.

A. The drill scheduled for 11 a. m. Wednesday, November 4, is to be postponed to Friday, November 6, at 11 a. m.

B. All students are to be available for a general assembly Wednesday, November 4, at 11 a. m. with the Joint Enlistment Board.

C. Any student may be excused from any class for two hours on Wednesday afternoon, November 4, or Thursday morning, November 5, without penalty, to meet the board.
